Summary

- Over 5+ years of hands-on experience in developing web and mobile applications, specializing in front-end technologies such as HTML, CSS, JavaScript, and ReactJs.
- Successfully delivered consumer-focused websites and web applications, meeting the highest standards for design, user experience, and performance.
- Demonstrated leadership skills in leading junior developers and collaborating with cross-functional teams to deliver projects efficiently and effectively.
- Proficient in a wide range of front-end technologies including React Redux, TypeScript, and various front-end frameworks. Skilled in UI/UX design, responsive web development, and backend integrations.
- Solution-driven approach to development, adept at finding solutions to complex technical challenges and ensuring customer satisfaction.
- Experienced in Agile development methodologies, enabling adaptive and iterative development processes to meet project requirements and deadlines.
- Committed to understanding client needs and delivering solutions that exceed expectations. Skilled in client communication and relationship management.
- Keenly attentive to evolving trends and technologies in front-end development, ensuring continuous improvement and innovation in project delivery.

Education

Bachelor's Degree in CSE (Computer Science And Engineering)
PES South Campus, Bangalore, Karnataka, India
July 2014 - July 2018

Diploma in CSE (Computer Science And Engineering)
BLDEA's Polytechnic, Vijayapur, Karnataka, India
June 2011 - July 2014

Skills

- HTML5, CSS3, JavaScript, ReactJs
- React Redux, Redux Toolkit, React Native
- TypeScript, NodeJs, ExpressJS, MongoDB
- VueJS, Sass, React Query, React Testing Library
- Git, Bitbucket, Jira, CI/CD (Netlify/Heroku), Chrome Dev Tools, VSCode

Experience

Senior Software Developer

Virtusa Malaysia SDN. BHD (210378), Kuala Lumpur, Malaysia
June 2023 - Present

- **Project: International Transfers AE Markets**
  - Led the implementation of Soft token functionality for various types of transfers, ensuring enhanced security and user experience.
  - Developed responsive components for both mobile and web views, maintaining consistency across platforms.
